In Pursuit of Evidence-Based Sports and Exercise Science

Welcome to 25th International Sports Science Congress in Memory of the 1988 Seoul Olympic Games.

The 25th "International Sports Science Congress: In Pursuit of Evidence Based Sports and Exercise Science" organized by Korean Alliance for Health, Physical Education, Recreation and sport science(KAHPERD), will be held in Kyung Hee University Global Campus, South Korea from August 21st to 23rd, 2013. The event will take a multidisciplinary approach to the evidence-based sport science.

A better understanding and develop evidence based practice in the area of physical activity, exercise and health in various fields of sport science and physical education. For the last 21 years, more than 370 internationally renowned scholars have been invited to share their areas of study. This congress will explore and discuss novel approaches, and share multiple scientific data to enhance sports and physical education among a wide range of population.

We look forward to seeing you in Korea in August 2013 at this international academic event which seeks for advancement of scientific research to provide educational and practical applications of sport science and physical education.
